

RONISH REGMI

PROGRAMMER (STUDENT)

PERSONAL PROFILE:

My name is Ronish, and I am a 16-year-old student currently studying at Escola Profissional de Almada. I am a qualified and dedicated programmer and web developer, with around three and a half years of experience in programming and about two years in web development. I have strong creative and analytical skills and work well in team environments, always aiming to find the best solutions.

EXPERIENCE

FIVERR

Freelance Web Developer & Translator

2023-2024

- Provided web development services for various clients
- Worked with clients to translate content from English to Nepalese and vice versa, ensuring clarity, accuracy, and localization.

JAVALI (INTERNSHIP)

Web Development Intern

2024(Feb-Mar)

- Interned at Javali, a web development company located in Almada, Portugal.
- Assisted with database configuration and management.
- Gained hands-on experience with modern web development technologies, including HTML, CSS, JavaScript, and MySQL.

OPENCOURT

Backend Developer

2024-Present

- Part of the development team building Opencourt, an app that helps users locate nearby sports courts.
- Primarily responsible for backend development, utilizing Kotlin and XML to build and maintain features for the app.
- Integrated geolocation APIs to enhance user experience by showing nearby courts based on the user's location.
- Collaborated with front-end developers to ensure smooth data integration between backend and frontend.
